

*“Wrong will be right, when
Aslan comes in sight,
At the sound of his roar,
sorrows will be no more,
when he bares his teeth, winter
meets its death,
and when he shakes his mane,
we shall have Spring again.”*

“I DON'T THINK YOU'LL BE NEEDING THOSE COATS ANYMORE!” -MRS. BEAVER

We would like to start this month's newsletter with a huge **'Thank You!'** We have lived in this beautiful area for just over four years now, and we could not be here without those of you who have so generously poured into our family financially and have invested your own hearts into this mission of reaching New England with the love of Jesus! So, thank you, thank you, thank you. Thank you for seeing the bigger picture of God's heart for these people. Four years ago we only had two ministry connections in all of New England, yet YOU believed in the vision and sent us despite the obstacles and negative reports. We now have over 30 ministries that our YWAM base partners with to see those who believe, disciples, and sent to the nations, and those who don't yet believe, shown and told, of this great love! God is amazing. If you would like to partner with us in this vision, our family still needs another \$1,350 a month to continue! ♡

I remember four years ago as we entered Vermont, driving up Highway 91, being chased by a snow storm, the Lord spoke to me and reminded me of the scene from The Chronicles of Narnia where Lucy is talking to her brother Edmund about the white witch... **"The White Witch?" said Edmund, "Who's she?" "She is a perfectly terrible person," said Lucy. "She calls herself the Queen of Narnia though she has no right to be queen at all, and she has made a magic so that it is always winter in Narnia—always winter, but it never gets to Christmas."**

Always winter, but never Christmas... This is the picture the Lord gave me of the spiritual state, atmosphere, and hearts of New England where he had asked us to settle down. But guys, **Aslan is on the move!** Flowers are pushing through the snow as the breath of God breathes new life into hearts of stone!

The Fold Family Ministries. We have had the pleasure of working alongside of The Fold (← Picture) for the last three years. They are a residential program where struggling teens come to live for up to two years to be loved on and disciplined in their walk with the Lord and in their true identity. This ministry reached out to us to meet with their students weekly to lead a discussion time on whatever the Lord would lay on our hearts, and it's been amazing. Revival is happening at The Fold! Three of the girls are even praying about going into missions through YWAM!

Please be praying for these kids that they will experience even greater revelation of our Father's love and ability to bring complete restoration.

Youth Movement 360 (Momentum). Momentum is a local youth group that was begun by a former YWAMer from Tyler, TX. This group ranges from 30-50 kids per week (which is INCREDIBLE for this area), and about 50% of those kids come from unchurched families. Mike and I have had the privilege of mentoring this group's worship band (Picture →) for the last 8 months. We have already seen such amazing growth in these

few youth, as we have shown them that true worship flows from the intimacy of their own personal relationships with Jesus.

Discipleship Training School (DTS). Our very first DTS with YWAM UV began on February 11th, 2018! What an amazing school this has been! Our students have experienced the fear-shattering revelation of just how much the Father loves them, and we've had the privilege of witnessing their lives being transformed by this love! They are now on their two month outreach from NH to Mexico and wherever the Lord leads in between! Please be praying for this incredible team!

Would you prayerfully consider partnering with us financially in this mission? No amount is too small! And all gifts are tax deductible!
